Upon request, every athlete must be able to **verify his/her identity** by showing a valid photo ID card. A **violation** results in an automatic **disqualification** for the concerned athletes.

4. Insurance, Disclaimer & Theft

The organizers do not assume any kind of liability in case of illness, accidents or theft. The organizers can merely prompt an ambulance transport. Should an injured person not be insured or should his homeland have no agreement for medical care in Austria, the person has to cover the costs of the treatment on his or her own.

With their participation the athletes accept the disclaimer of warranty for any kind of damage. No claims can be asserted against the Organizing Committee, the Event Sponsors, the community of Klagenfurt, real owners or their representatives regarding damage or injuries.

Every athlete has to make sure that he or she is fully physically capable of participating without any medical objections.

For all players: Do not leave any valuable things and/or expensive clothing in the locker rooms.

5. Final Remark

The organizers of the United World Games are at the understanding that each participant and team leader knows all the items mentioned in these regulations.

IMPORTANT: In emergencies and during the night-time the emergency number 144 must be called. Please also note that if an injured athlete has to be transported to the hospital with an ambulance, a coach of the affected team must always go with him.
