It should be needless to say but we expect fair play from all teams! Please respect your opponents as well as the decisions of the referees and try to play as fair as possible.

Exception permits:

As per this rule, a **maximum of 2 players per team** is allowed to **exceed** the **respective age limit** by up to but **no more than 6 months**. These players must be announced to the Organizing Committee and marked on the corresponding Squad List accordingly.

2. Squad List & ID Checks

The coaches are requested to carry the signed squad list, as well as **player's licences or IDs of all athletes with them to all games**. Upon request, every player must be able to verify his or her identity by showing a valid photo ID card. In case of a suspected violation of deadlines or the use of an ineligible player, squad list and ID have to be checked in coordination with the referee/venue supervisor. A **violation results in an automatic defeat** for the concerned team.

Generally it is allowed for athletes to play in 2 separate teams, as long as they are not entering the same competition, yet they also have to appear on the respective squad lists of both teams (a player of the U13 tournament may for example also be a member of a team participating in the U15 competition and compete for both teams, provided the tournament schedule allows it).

Should participants enter one and the same competition with more than one team, they are forbidden to move players between these teams, athletes may only appear on the squad list of ONE team per competition.
